Pool Owners

Keep it **happy**...Keep it **safe**
Don't put off important
matters for **tomorrow**

Contact us now for a solar
safety pool cover

INSTANT SAVINGS & GOING GREEN:

Save up to 80% or more on your annual pool heating, electrical, and chemical costs, just from adding a pool cover! If you Finance your pool cover, the savings from reduced maintenance, solar heating, energy conservation, & elimination of evaporation, in most cases, will exceed your monthly payment!

SAFETY, PEACE OF MIND:

Pool Covers completely cover the water surface making a perfect safety barrier for both children and pets. Fences can be climbed, alarms still allow time in the water, but a pool cover supports the weight of an adult person (only in new condition, but it's not extended playground for kids), and provides more barrier protection than any other pool-safety device.

OTHER BENEFITS:

Hook-In-System and Track systems available | Developed & manufactured locally | Save water, time & electricity
No algae growth and hardly any dirt | Even during holidays, your pool stays maintenance free.

CHECK OUT THE CANTILEVER UMBRELLA BENEFITS:

No centre pole | Rotates 360° | Powder coated aluminium
All parts replaceable
